1 MARCH 2008

AS GAVIN CARRIED JACKIE OVER THE THRESHOLD OF THEIR NEW HOME—A RENOVATOR'S DELIGHT—SHE HAD NO IDEA WHAT SHE WOULD FIND INSIDE. PAINTED ON THE LOUNGE ROOM WALL WERE THE WORDS 'JACKIE WILL YOU MARRY ME?' OF COURSE SHE SAID YES.

REAL LIFE STYLE

BALLGOWN BLITZ

Jackie's amazing teal wedding gown was the focus of the day—a magnificent creation. Dramatic flowers were chosen for the bouquets as a rich contrast—claret calla lilies, deep purple tulips, berries and orchids made an exotic statement. The couple decided on a black and white colour scheme to complement the bride's striking gown.

LET THEM EAT CAKE

Jackie and Gavin chose a Parisienne theme, with a sumptuous dessert buffet featuring a croqueмбуचे as the wedding cake. Striking table centrepieces included traditional lollies in French style glass jars—lolly bags and scoops were supplied for guests to indulge in the decorations.
